

The Triathlon Trust exists to change lives through triathlon.

Like so many other charities, 2020 has been a challenging year for the Trust with the restrictions on activity leading to dramatic scaling back of operational activities.

Despite these currently challenging times, the Trustees and British Triathlon remain convinced that there is a critical role for the Trust to play in changing lives through triathlon.

The current Chair is stepping down due to the term limit provisions in the charity's Articles and British Triathlon is seeking to appoint a successor to build on the successes of the last nine years.

This is an exciting time to join the Board of Trustees and play a leadership role in establishing a refreshed strategy for the next chapter for the Triathlon Trust.

A role description can be found at www.britishtriathlon.org/about/vacancies.
