

Salary: This is a voluntary role and so no payment is offered however reasonable travel expenses will be permitted.

The British Triathlon Federation is the National Governing Body for Triathlon, Duathlon and Aquathlon in Great Britain, responsible for raising the profile and delivering medal-winning performances and helping everyone discover, enjoy and achieve in triathlon.

Triathlon England, Triathlon Scotland and Welsh Triathlon are the three Home Nations of the British Triathlon Federation (BTF) and are responsible for all aspects of triathlon in their respective countries and contribute to the work of BTF.

British Triathlon is looking to appoint members from across the sports community and sustainability landscape to form part of the British Triathlon Sustainability Commission. The Commission will help British Triathlon devise a robust and affective sustainability framework which helps protect our natural environment and promote a healthy and sustainable sport, to allow future generations to enjoy the activities we are so passionate about.

British Triathlon wants to encourage diverse and well-informed representation from clubs, membership, Event Organisers and elite athletes from across the Home Nations and sustainability experts worldwide. The successful candidate will bring an expertise and keen interest in sport and sustainability policy. You will be able to initially meet at least four times over a 4-6 month timeframe to steer the development of a sustainability policy, thereafter meet on a 6-monthly basis to monitor and report on the progress and implementation of the policy.

Please see the Terms of Reference at the bottom of this page under the heading of Job Description for further information about the British Triathlon Sustainability Commission. Informal enquiries can be made to hr@britishtriathlon.org.
