

Our Values

British Triathlon works **to promote excellence in our sport, and create opportunities for everyone to achieve their personal triathlon challenges.**

In addition to delivering this vision, British Triathlon also promotes and protects its values in everything it does. These values are fundamental to all of our organisations and our governance of the sport and are summarised below:

- Fair Play
- Respect
- Consistency and Transparency
- Embrace Change
- Encourage High Aspirations
- Recognise Success
- Environmentally Conscious.
