WELCOME

GREETINGS AND WELCOME TO THE ETON DORNEY PARATRIATHLON WORLD CUP

It is my great pleasure to welcome you here for the 2018 edition of the Arctic One Dorney Tri Festival, which this year will include a paratriathlon World Cup for the first time. Over the past four years, Eton Dorney has been the location for some excellent racing as well as grassroots paratriathlon development, and it is fitting that we are able to bring the ITU World Cup to such an occasion.

It was here, just outside of historic Windsor on the outskirts of London, that the rowing events of the 2012 Olympic Games were held. Now, the same lake is the location for the third Paratriathlon World Cup of 2018, beginning with a 750m swim section, before a 20km bike course runs along its banks and that of the River Thames, finishing off with a two-lap, 5km run.

As well as the World Cup, there will be junior, super sprint and para-sprint races, all part of an excellent and comprehensive day of events that is designed to provide seasoned and novice athletes with the opportunity to race competitively and display the very best of our sport.

My thanks go to British Triathlon, the Local Organising Committee and the race sponsors, and I hope that you enjoy your time here and get to experience all the thrills of ITU racing.

Sincerely,

Marisol Casado
President, International Triathlon Union IOC Member
