OVERVIEW

This Selection Policy (“the Policy”) outlines the process by which the British Triathlon Federation (“BTF”) will determine its individual and mixed relay selections for the 2019 World Junior Championships.

This Policy has been structured to support BTF’s Olympic World Class Performance Programme’s (“WCPP”) vision of delivering world class success and inspiring the nation. Specifically, this means that all selection policies for BTF Junior and Youth competition intend to:

- select the right athletes, to the right race, at the right time;

SECTION 3: SELECTION PROCESS - MIXED RELAY (MR)

- 3.1 The Panel will automatically select to the U23 MR squad those eligible athletes who have been selected for the individual U23 races.
- 3.2 The Panel will then assess whether the number/standard/form/fitness of those athletes competing in the corresponding individual races is sufficient to ensure at least a top 5 finish in the U23 MR event.
- 3.3 If the Panel determines that this is not the case, they will then select additional athletes for the relay squad based on consideration of the following factors:

- a. how their specific strengths are likely to compliment those of the athletes already selected to the MR squad;
 - b. how their specific strengths are likely to suit the Individual/relay course layout and profile, and the likely impact on the race outcome and tactics of the course's specific characteristics;
 - c. anticipated environmental factors, their potential impact on the race tactics/outcome, and the resulting requirements of the MR;
 - d. their previous individual and relay championships performance history;
 - e. their relationships with athletes already selected and consequent impact on squad/team dynamics;
 - f. their current form; AND
 - g. their injury/illness history and status.
- 3.4 The final selection of the team of four athletes to compete in the MR event will be made by the coaching team at the Championships following conclusion of the individual events.
- 3.5 Selection of the team will be **entirely discretionary** and will be based on a combination of the following, as well as any other criteria that may be deemed relevant by the Panel:
- a. Result in the individual events;
 - b. Athletes' state of recovery and readiness following the individual events (taking into account injury and recovery history prior to the Championships);
 - c. Athletes' race plan; AND
 - d. Athletes' previous MR experience.

SECTION 4: CONDITIONS

- 4.1 The Panel reserves the right NOT to ratify nominations via the Automatic Nomination Criteria, should a performance that qualifies an athlete for automatic nomination have been achieved in a race which was, as determined solely by the Panel, significantly impacted by:
- a. a large-scale racing incident (such as a crash);
 - b. environmental conditions/exceptional circumstances which resulted in an altered or reduced race format (such as removal of the swim portion of the race); OR
 - c. an anomalous incident, usually completely outside of the athletes' control, that seriously affects the result (such as a stray dog/vehicle on the course) - please note, this does NOT include individual mechanical issues.

Where this is the case, affected athletes will not be automatically nominated, but will instead be considered using the discretionary selection outlined at paragraph 2.5.

- 4.2 Nomination is conditional on the athletes completing any BTF pre-travel medical questionnaire (if required, at the discretion of the Chief Medical Officer (CMO), in addition to the ITU fit-to-compete questionnaire). Athletes must also agree (by signing in advance of travel the EIS Data Processing Consent Form) to their personal and medical details being stored on the EIS Performance Data Management System (PDMS) and shared - where appropriate - with the relevant medical/coaching/management staff;

SECTION 5: APPEALS

- 5.1 There shall be no right of appeal against the Junior selections decisions made by the Panel under this Policy. The provisions of the BTF Selection and Nomination Appeals Procedure do not apply to the individual or MTR for the 2019 World Junior Championships. However, athletes who feel that they should have been selected are encouraged to contact the Panel to discuss their case. In addition, any athlete who wishes to seek independent advice

regarding the selection process in general are advised to contact the British Athletes Commission (BAC) at www.britishathletes.org.

SECTION 6: AMENDMENT

- 6.1 In the event that any unforeseen circumstance makes any provision of this Policy unworkable or ineffective to promote the aims of the Policy, the BTF will be entitled to amend this Policy so that the aims can be secured. Any amended version will be made available at www.britishtriathlon.org.
