2.5 Discretionary selections

a. If places are still available following completion of the automatic selections, the Panel will, at their discretion, select additional eligible athletes (up to the maximum places outlined at paragraph 2.1) if their performances indicate them to be capable of delivering the level of performance required for a Top 10 finish at the World U23 Championships AND if they have achieved one of the following by the nomination deadline:

SECTION 3: SELECTION PROCESS - MIXED RELAY (MR)

3.1 Only those athletes who are selected for the individual races at the World U23 Championships will be eligible for nomination to the MR event.

3.2 The final selection of the team of four athletes to compete in the MR event will be made by the coaching team at the Championships following conclusion of the individual events (both U23 and Junior, as the relay is mixed across both age groups).
   a. Start positions are limited and ranking points earned in ITU/ETU events may be crucial to Great Britain earning a full quota of places at the Olympic Games and/or persevering quota places at future editions of these championships. If an athlete is not 100% ready to compete due to injury or illness, they should inform Laura Macey immediately so that a decision may be taken on whether they should be replaced by another British athlete or whether medical withdrawal is required;
   b. An athlete who elects to withdraw from the European Championships after they have expressed their interest to be considered for nomination, but before the ETU closing date, must inform Laura Macey (lauramacey@britishtriathlon.org) immediately so that a replacement athlete can be nominated;
   c. Athletes must be aware of, and compliant with, ITU rules, including those relating to race uniforms, no-shows and late withdrawals.

3.3 Selection of the team will be entirely discretionary and will be based on a combination of the following, as well as any other criteria that may be deemed relevant by the Panel:
   a. The individual profile of each athlete and how it relates to the course profile, competition and desired race tactics to maximise race outcomes and/or race learning
   b. Result in the individual events*;
   c. Athletes’ state of recovery and readiness following the individual events (taking into account injury and recovery history prior to the Championships);
   d. Athletes’ race plan; AND
   e. Athletes’ previous MR experience.

*The outcome or result of the individual event will NOT infer any automatic selection to Mixed Relay team

SECTION 4: CONDITIONS

4.1 Any automatic nominations (as per paragraph 2.4) will not apply if, in the opinion of the Panel, the results of the race in which an athlete achieved a performance that qualified them for automatic nomination was significantly impacted by:
   a. a large-scale racing incident (such as a crash);
   b. environmental conditions/exceptional circumstances which resulted in an altered or reduced race format; OR
   c. an anomalous incident, usually completely outside of the athletes’ control (such as a stray dog/vehicle on the course) - please note, this does NOT include individual mechanical issues.

   Where this is the case, affected athletes will not be automatically nominated, but will instead be considered using the discretionary selection outlined at paragraph 2.5.

4.2 Nomination for the World U23 Championships is conditional on the following:
   a. Athletes must complete any BTF pre-travel medical questionnaire (if required, at the discretion of the CMO, in addition to the ITU fit-to-compete questionnaire). Athletes must also agree (by signing in advance of travel the EIS Data Processing Consent Form) to their
personal and medical details being stored on the EIS Performance Data Management System (PDMS) and shared - where appropriate - with the relevant medical/coaching/management staff;

b. Start positions are limited and ranking points earned in ITU/ETU events may be crucial to Great Britain earning a full quota of places at the Games and/or persevering quota places at future editions of these championships. If an athlete is not 100% ready to compete due to injury or illness, they should inform the Head Coach immediately so that a decision may be taken on whether they should be replaced by another British athlete or whether medical withdrawal is required;

c. An athlete who elects to withdraw from the European Championships after they have expressed their interest to be considered for nomination, but before the ETU closing date, must inform Laura Macey (lauramacey@britishtriathlon.org) immediately so that a replacement athlete can be nominated;

d. Athletes must be aware of, and compliant with, ITU rules, including those relating to race uniforms, no-shows and late withdrawals.

SECTION 5: APPEALS

5.1 There shall be no right of appeal against the U23 selections decisions made by the Panel under this Policy. The provisions of the BTF Selection and Nomination Appeals Procedure do not apply to the individual or MTR for the 2020 World U23 Championships. However, athletes who feel that they should have been selected are encouraged to contact the Panel to discuss their case. In addition, any athlete who wishes to seek independent advice regarding the selection process in general are advised to contact the British Athletes Commission (BAC) at www.britishathletes.org.

SECTION 6: AMENDMENT

6.1 In the event that any unforeseen circumstance makes any provision of this Policy unworkable or ineffective to promote the aims of the Policy, the BTF will be entitled to amend this Policy so that the aims can be secured. Any amended version will be made available at www.britishtriathlon.org.
