

Selection Policy for 2020 Elite Cross-Triathlon/Duathlon World and European Championships

Introduction

This Selection Policy (“the Policy”) details the process which the British Triathlon Federation (BTF) will apply when selecting athletes to compete in the major ETU and ITU Cross-Triathlon and Cross-Duathlon Championships. Please note that for **ALL** championships, athletes are obliged to **nominate their interest** **BEFORE** the nomination deadlines stated within this Policy (even if they have taken part in an official qualification race). Conditions

- 3.1 Athletes will be required to sign a Team Members' Agreement to accept their place on each team. The Agreement will include a code of conduct, and will require athletes to adhere to the BTF sponsorship guidelines and to wear the provided GB race suit (which must be unaltered [championship suits may not have personal sponsors added]).
- 3.2 From 2018 onwards, the ITU have introduced **COMPULSORY** pre-participation evaluation (PPE) screening for ALL athletes entered into any ETU/ITU races. Failure to undertake this evaluation, or to provide the necessary paperwork will result in you not being able to be selected or entered into any ETU/ITU events. The main purpose of the screening is to identify athletes at risk of sudden cardiac death due to an electrical or structural heart abnormality. Details of how to complete this screening can be found on the [Selection Policies](#) page of the BTF website, under ITU PPE Screening Requirements (please read 'All Athletes - Pre Participation Evaluation(PPE) Criteria').

Selection Panel

- 3.3 A Selection Panel ("the Panel") will be established comprising three members, including the BTF Performance Director as Chair, the BTF Head Coach and the BTF Olympic Pathway Manager.
- 3.4 Additional experts may be asked to provide advice to the Panel at the request of the Chair.

SECTION 4: APPEALS

- 4.1 Athletes may appeal their non-nomination under this Selection Policy, but only after provision of written confirmation of the relevant decision and only according to the procedure laid out in the "BTF Appeals Policy" which can be found on the BTF website. Athletes wishing to seek advice regarding the appeals process (including the validity of any procedure itself) are advised to contact the British Athletes Commission (BAC) at www.britishathletes.org.

SECTION 5: AMENDMENT

- 5.1 In the event that any unforeseen circumstance makes any provision of this Policy unworkable or ineffective to promote the aims of the Policy, the BTF will be entitled to amend this Policy so that the aims can be secured. Any amended version will be made available at www.britishtriathlon.org.
