the BTF sponsorship guidelines and to wear the provided GBR race suit (which must be unaltered [championship suits may have personal sponsors added as long as they are agreed with BTF at the point of confirmation of selection into the team.]). The main purpose of the screening is to identify athletes at risk of sudden cardiac death due to an electrical or structural heart abnormality. Details of how to complete this screening can be found on the [Selection Policies](#) page of the BTF website, under World Triathlon PPE Screening Requirements (please read 'All Athletes - Pre Participation Evaluation(PPE) Criteria').

SECTION 4: APPEALS

- 4.1 Athletes may appeal their non-nomination under this Selection Policy, but only after provision of written confirmation of the relevant decision and only according to the procedure laid out in the "BTF Appeals Policy" which can be found on the BTF website. Athletes wishing to seek advice regarding the appeals process (including the validity of any procedure itself) are advised to contact the British Athletes Commission (BAC) at www.britishathletes.org.

SECTION 5: AMENDMENT

- 5.1 In the event that any unforeseen circumstance makes any provision of this Policy unworkable or ineffective to promote the aims of the Policy, the BTF will be entitled to amend this Policy so that the aims can be secured. Any amended version will be made available at www.britishtriathlon.org.
