# 2021 COMPETITION MAP

## Notes

- 1.SS denotes Super Series event. Some of these will have mixed junior/senior fields.
- 2.The Age Group events are qualification races for Euro and World age group championships more info can be found [here](#)
- 3.Events in bold type are linked to a [selection policy](#)– at the time of printing a number of international events remain on the calendar, however, we expect the situation throughout the pandemic to remain fluid. The present intention is to run supported trips to the Riga and Bansk Bystrica events assuming Europe is able to open on a similar roadmap at a similar rate to the UK. We will think carefully about any foreign travel and would advise anyone else to do the same
4. The School Games is run in school years - yrs 10 and 11 only, for Scottish athletes this means being 15 or 16 on the 31st Aug 2021. Super League format and racing age groups are TBC.
5. For more information on Aquathlons please including formats and which event you should be doing see 'Racing Explained' which is found on the same page as this map
