

Local Technical Official Qualification Process

Step 1

- Complete online course application form via the British Triathlon website.

Step 2

- Attend full day course receiving a copy of the Competition Rules.

Step 3

- Complete open book knowledge tester.

Step 4

- Receive details of Officials Management System (OMS) and links to online resources in post-course information. Initial Technical Official kit sent out.

Step 5

- Complete shadows at four events, confirmed as suitable by your Regional Officials Coordinator (ROC). A minimum of two shadows must be at pool-based events.

Step 6

- Debrief with the Chief Official who will complete your shadow report on the online logbook on the OMS.

Step 7

- Complete a post-race report after each event and email to Regional Officials Coordinator for feedback.

Step 8

- After your fourth event your online logbook will be reviewed by British Triathlon.

Step 9

- Providing your shadows and race reports are satisfactory, confirmation will be sent to your ROC, and your certificate will be sent to you along with the remainder of your Technical Official's kit.
