

Regional Technical Official Qualification Process

Step 1

• Complete the LTO qualification process and officiate at two events as Chief Technical Official, or four as Assistant Technical Official.

Step 2

• Complete online course application form via the British Triathlon website.

Step 3

Attend half day course receiving a copy of the Competition Rules.

Step 4

Complete open book knowledge tester.

Step 5

• Complete shadows at two events, confirmed as suitable by your Regional Officials Coordinator (ROC). Both must be at open water events.

Step 6

• Debrief with the Chief Official who will complete your shadow report on the online logbook on the OMS.

Step 7

 Complete a post-race report after each event and email to Regional Officials Coordinator for feedback.

Step 8

• After your second event your online logbook will be reviewed by British Triathlon.

Step 9

• Providing your shadows and race reports are satisfactory, confirmation will be sent to your ROC, and your certificate will be sent to you.
