London Region Series Races are grouped by the type of event: triathlons, aquathlons and duathlons (see above for details). Places in the Series are decided by points from best 2 triathlons, and the best aquathlon and best duathlon (4 scoring races in total). All athletes are awarded points based on a percentage of the 1st London athlete time for their category. For triathlons this is based on the 1st London athlete being awarded 1000 points, and for duathlons/aquathlons this is 500 points. e.g. in triathlon if 1st London athlete does 20min they 1000 points, if 2nd London athlete does 22mins they get 909 points ( $20/22 \times 1000 = 909$ ) etc.

## Eligibility:

The London Series is open to anyone who is a member of a London club or resides in London. (London is defined as the London Boroughs). An individual is not eligible for the London Series if they are also contesting the series of a different Region.
