

Job Vacancy: Performance Centre Coach

Salary: £22-25k + Benefits + Pension

Location: Cardiff

Contract: Full time

Welsh Triathlon are recruiting for a Performance Centre Coach to deliver outstanding daily training environment coaching at the National Triathlon Performance Centre Wales (NTPCW) in Cardiff.

Working alongside Welsh Triathlon's Performance Coach and the team of sports science practitioners, this exciting role within the performance team has arisen as a result of the success and rapid expansion of the National Triathlon Performance Centre Wales (NTPCW) since its inception in 2017.

Welsh Triathlon works with the other Home Nations of British Triathlon (Triathlon England and Triathlon Scotland), to oversee all aspects of multisport activity within their respective countries. The NTPCW is a British Triathlon Pathway Centre, based in Cardiff and as operated by Welsh Triathlon in partnership with Cardiff Metropolitan University & Cardiff University. The centre supports elite athletes with potential to develop to a world-class level from across Great Britain and internationally.

The objective of this role is to deliver outstanding coaching to athletes within the Centre, and support the continued progression towards a world-class performance development environment, in line with Welsh Triathlon's strategic objective of 'developing exceptional people to deliver international success'. The successful candidate will also play an important role in the connection between the NTPCW and the University triathlon programmes in Cardiff.

If you have a passion for coaching and developing people, a collaborative & curious approach, and a commitment to learning and personal development, we would love to hear from you. Experience and understanding of triathlon and/or the constituent disciplines is advantageous but not essential – our priority is to find the right person to join our team.

If you have any enquiries, or would like an informal discussion about the role, please contact our Head of Performance, Louis Richards, at louisrichards@welshtriathlon.org.
