ATHLETE NOMINATION TO BTF IN ORDER TO BE CONSIDERED FOR SELECTION IS A PREREQUISITE FOR THE WORLD JUNIOR CHAMPIONSHIPS – IT IS THE ATHLETES’ RESPONSIBILITY TO ENSURE THEY NOMINATE BY THE RELEVANT DEADLINE

Selection Policy for 2024 World Junior Championships – Malaga 17-19 October

OVERVIEW

This Selection Policy (“the Policy”) outlines the process by which the British Triathlon Federation (“BTF”) will determine its individual and mixed relay selections for the 2024 World Junior Championships.

This Policy has been structured to support BTF’s Olympic World Class Programme’s (“WCP”) vision of delivering world class success and inspiring the nation. Specifically, this means that all selection policies for BTF Junior and Youth competition intend to:

- select the right athletes, to the right race, at the right time;
- provide competition opportunities to the support the above; AND
- support the development of athletes with the necessary experiences (Intelligent Racing & One Day One Race) for senior success at Olympic and World level.

SECTION 1: ELIGIBILITY

1.1. To be considered for nomination to the 2024 WT World Junior Championships athletes need to;

a. Be 16, 17, 18 or 19 years of age as at 31 December 2024;

   i. The medical condition preventing the athlete from competing;
   ii. The expected time for return to full training; AND

SECTION 2: SELECTION PROCESS - INDIVIDUAL EVENT

2.1 Subject to confirmation of maximum athlete places provided to BTF by World Triathlon, BTF predict a team of up to 3 male and 3 female athletes will be selected for the individual male and female events. The Selection Panel (“the Panel”) may fill up to the quota allocated to BTF, but they are not obliged to fill all available spaces if athletes do not satisfy the criteria outlined below. In previous editions of this championships BTF have been able to secure an additional quota place for one or other sex. NB This has been VERY occasional and BTF will only consider requesting or accepting additional quota places for this event in 2024 should the Panel believe there is a compelling or exceptional case to do so.

2.2 Athletics will be selected on or before 20 September 2024.

2.3 The Selection Panel (“the Panel”) will convene either via email or conference call in advance of this deadline and shall comprise: Voting members;
   i. BTF Olympic Pathway Manager - Dan Salcedo;
   ii. Triathlon Scotland Performance Programme staff member; AND
   iii. Welsh Triathlon Performance Programme staff member;

   b. Non-voting members:

2.4 Automatic selections

   i. Are a reigning World Junior Championship medallist; THEN
   ii. Are a reigning European Junior Championship medallist; THEN
   iii. Are the 1st Junior finisher of the 2024 World Junior Trial Race; THEN (if a quota place remains)

Note 2: Swim times are set as 400 or 800m Short Course (dive start) and will ONLY be considered valid if they:
- Appear on swimmingresults.org Individual Best Times; OR
- Are achieved at the BTF Performance Assessments; OR
- Are achieved in the presence of a British Triathlon contracted/employed Academy or Next Generation or Centre Coach.

Any 400m or 800m long course (LC) times that appear on swimmingresults.org individual best times may be converted. This will be done using the most recently published FINA points tables and matching the point scores for the LC time against the listed SC time (male/female as appropriate).

Note 3: Run times will ONLY be considered valid if they:
- Appear on Power of Ten AND (if on road) have been achieved on a valid (accurately measured) course; OR
- Are achieved in the presence of a British Triathlon contracted/employed Academy or Next Generation or Centre Coach and (if on road) are on an accurately measured course (i.e. with a trundle/measuring wheel)
2.5 Discretionary selections

a. If places are still available following completion of the automatic selections, the Panel may, at their discretion, select additional eligible athletes (up to the maximum places outlined at paragraph 2.1) if their performances at the 2024 World Junior Trial Race indicate them to be capable of delivering the level of performance required for a Top 15 finish at the World Junior Championships. In so doing the Panel will assess each athlete's performance in the trial race against expected top 15 standards by using the following criteria (not listed in any priority order) to determine which athletes to select:

b. i. junior benchmarking data;
   ii. previous championship performances;
   iii. athlete development profiles;
   iv. race format and course specifics;
   v. finishing position at the trial races;
   vi. quality of field at the trial races;
   vii. current form; AND
   viii. injury/illness status.

SECTION 3: SELECTION PROCESS – MIXED RELAY (MR)

3.1 Only those athletes who are selected for the individual races at the World Junior Championships will be eligible for nomination to the MR event.

3.2 The final selection of the team of four athletes to compete in the MR event will be made by the coaching team at the Championships following conclusion of the individual events (at the point of publication it is not clear if the relay will be exclusively for Junior athletes or not – this policy will be amended once this has been communicated by World Triathlon).

3.3 Selection of the team will be entirely discretionary and will be based on a combination of the following, as well as any other criteria that may be deemed relevant by the Panel:

a. The individual profile of each athlete and how it relates to the course profile, competition and desired race tactics to maximise race outcomes and/or race learning
b. Result in the individual events;
   c. Athletes’ state of recovery and readiness following the individual events (taking into account injury and recovery history prior to the Championships);
   d. Athletes’ race plan; AND
   e. Athletes’ previous MR experience.

3.4 Athletes must inform BTF immediately if there is any change to the information provided on their FTC (see paragraph 1.1[c]) after its submission. If information disclosed by the FTC suggests increased risk of racing, or if the Panel are made aware of any potentially significant medical conditions that were not disclosed by the athlete, the Panel reserves the right not to nominate the athlete to this event or withdraw them from the start list.

Note 4: The outcome or result of the individual event will NOT infer any automatic selection to Mixed Relay team.

SECTION 4: ALTERNATIVE SELECTION RACE PROVISIONS & CONDITIONS
4.1 Any automatic nominations (as per paragraph 2.4) will not apply if, in the opinion of the Panel, the results of the race in which an athlete achieved a performance that qualified them for automatic nomination was **significantly impacted** by:

a. Significantly reduced quality of field (QOF) at the trial race e.g., due to Covid related complications or other similar issue; OR
b. a large-scale racing incident (such as a crash); OR
c. environmental conditions/exceptional circumstances which resulted in an altered or reduced race format; OR
d. an anomalous incident, usually completely outside of the athletes’ control (such as a stray dog/vehicle on the course) – please note, this does NOT include individual mechanical issues.

Where this is the case, affected athletes will not be automatically nominated from the impacted race. Any affected athletes may still be automatically nominated should they satisfy any of the remaining automatic criteria from races not impacted by one of the scenarios above. Where this is not the case, impacted athletes will then be considered for selection using the discretionary criteria outlined at paragraph 2.5.

4.2 Nomination is conditional on the athletes completing any BTF pre-travel medical questionnaire (if required, at the discretion of the Chief Medical Officer (CMO), in addition to the WT Fit-to-Compete questionnaire). Athletes must also agree (by signing in advance of travel the EIS Data Processing Consent Form) to their personal and medical details being stored on the EIS Performance Data Management System (PDMS) and shared - where appropriate - with the relevant medical/coaching/management staff.

**SECTION 5: APPEALS**

5.1 There shall be no right of appeal against the Junior selections decisions made by the Panel under this Policy. The provisions of the BTF Selection and Nomination Appeals Procedure do not apply to the individual or MR for the 2022 World Junior Championships. However, athletes who feel that they should have been selected are encouraged to contact the Panel to discuss their case. In addition, any athlete who wishes to seek independent advice regarding the selection process in general are advised to contact the British Athletes Commission (BAC) at [www.britishathletes.org](http://www.britishathletes.org).

**SECTION 6: AMENDMENT**

6.1 In the event that any unforeseen circumstance makes any provision of this Policy unworkable or ineffective to promote the aims of the Policy, the BTF will be entitled to amend this Policy so that the aims can be secured. Any amended version will be made available at [www.britishtriathlon.org](http://www.britishtriathlon.org).
